Code of Ethics

- We accept the competitive private enterprise system as the best means of ensuring that the requirements of the customer are fully and faithfully met, in terms of price, quality, variety and service;
- We further accept that the foundation of business should be integrity, fair dealing and efficient service;
- We stand for fair competition and reject all acts characterized by bad faith, deception, fraud, oppression or bribery;
- We accept that representation of goods and services should be truthfully made and scrupulously fulfilled;
- We undertake to avoid all untruthful or misleading statements in publicity or advertising;
- We accept this code fully and agree to submit controversies arising thereunder to settlement by voluntary agreement and within the constitution of Sapema;
- We are aware of our unique roll as both consultant and supplier of personal safety equipment and clothing, and undertake to balance this with integrity and honesty.
